### RE: Petition for Expedited Review of Growth Coade Denial by the Number Pooling Administator Relating to Team Health, Docket No. 05-00325

On review of BellSouth's *Petition* a question arose concerning the current number utilization reported in Exhibit H. Staff made a telephonic request on December 8, 2005, for additional utilization information, specifically the number of thousand blocks assigned in each NXX, and the utilization rates for all assigned 3,000 blocks of each of the NXXs reported in the exhibit.
